DISTRICT BOARD OFFICE, BELLARY, 1951

C.R.No. 6924/50 B.1 dated 12th February 1951.

Sir,

Sub:- Grants- P.W.R.D., Works 1948-49-Bellary District Board- Forming a road from 4/1 of Harapanahalli-Hadagalli road to Bagali- Rs.158/- grant claimed in 1949-50- objected- sanction- requested.

---

The work of forming a road from 4/1 of Harapanahalli-Hadagalli road to Bagali was sanctioned under P.W.R.D. Scheme during 1948-49 in G.O.P.S.No. 80 L.A., dated 10-1-1949 on half grant basis- Subsequently full grants were reallotted in G.O. No. 542 L.A., dated 18-3-49.

2 The Divisional Engineer(Highways) Bellary reports in his letter C.R.No. 925/50-A.4 dated 5-2-51( copy enclosed) that a small portion of this road was left unfinished during 48-49. It was taken up for completion during 49-50 and an expenditure of Rs.158-6-0 was incurred on the work. He failed to report the amount of grant required for this work during 49-50 to the Special Officer District Board Bellary and hence no grants were applied for, for this work during 49-50. Grant for the expenditure of Rs.158-6-0 incurred on this road during 49-50 was claimed and drawn in March 1950 along with other P.W.R.D. grant works.

3 The Accountant General Madras has in his letter T.5.B.P.W.G. 281 dated 7-8-50 taken objection for the drawal of grant in the absence of sanction of Government and requests to refund the grant drawn.

4 Further a sumof Rs.37-12-0 was advanced to the Superintending Engineer(Highways) Madras for the demarcation charges inconnection with the acquisition of lands covered by the road. A grant of Rs.1237-0-0 to cover up the cost of acquisition of the lands for this road was sanctioned in Government Memorandum No. 10035-1-E L.A., dated 23-3-50 to be met from the modified grant of Rs.49,500 sanctioned in G.O.No.625 L.A., dated 18-3-50.

5 I therefore request the Government to sanction a grant of Rs. 196-2-0 (158-6-0 plus 37-12-0) as a special case at an early date to satisfy the Accountant General's objection.

Bellary.

Sub:- Grants- P.W.R.D., 49-50- forming a road from Chikkali to Bagali objection for drawal of grant.
Ref:- P.D.B.'s Ref.D.O. letter C.R. No.6924/50 B.1 dated 27-1-51.

An expenditure of Rs. 158-6-0 was actually incurred on the work Forming a road from Chikkali Bagali during 49-50 for the purpose of forming a small portion of road which remains unfinished during 48-49. With a view totreat the work as incomplete work of 48-49 this small balance of work was ordered to be completed as there was provision in the R.E. A copy of the orders issued to Assistant Engineer(H) Hospet in this office C.R.No. 1984/49 dated 3-9-49 was also sent to Special Officer,Dt.Bd. Bellary with reference to his C.R.No. 2532/49 dated 5-5-49 directing him to report the amount of grant required for the work in 49-50 if the work was not completed in 48-49 itself. I regret to note that the Special Officer, District Board was not informed, subsequently, of the approximate amount of grant required for the work in 1949-50. A second revised estimate for the work was also sent to President District Board on 23-2-50 for favour of sanction with reference to P.D.B.'s No.7981/4^ B1 dated 23-1-1950.

In the circumstances explained above I request you to kindly address the Government for favour of sanctioning the grant drawn already as a special case.

President, District Board,
Bellary.

C.R.No. 6924/50 B.1., dated 14th April 1951.

Sir,

Sub:- ~~Grants -- P.W.R.D. works 1948-49 -~~ Bellary District Board- Forming a road from 4/1 of Harapanahalli-Hadagalli road to Bagali - Expenditure incurred Rs. 196-2-0 Sanction of grant to cover up the Expenditure- Requested.

In retransmitting herewith the Government their Endorsement 6753-F/51-1 L.A., dated 17-3-51, I have to state that the first revised estimate for the road work from 4/1 of Harapanahalli-Hadagalli road to Bagali was sanctioned for Rs.9900/- while second revised estimate was sanctioned for Rs. 10500/-.

2. A grant of Rs.9210 was drawn during the year 48-49 and grant of Rs.1395-2-0 (Rs. 1237-2-0 cost of Land Acquisition plus 158-0-0 road completion) was drawn in 1949-50. The road which was left incomplete in 48-49 was completed during 49-50 the expenditure incurred being Rs.158-6-0. The Divisional Engineer(Highways) Bellary while submitting application for grants for P.W.R.D. works for 49-50 has ~~failed to include this amount in the grant application~~. Hence the grant of Rs.158-0-0 drawn in March 1950 has been objected to by the Accountant General Madras for want of sanction of grant.

Further Rs.37-12-0 were paid as advance to the Superintending Engineer(Highways) Madras for the demarcation charges inconnection with the acquisition of lands covered by the road. A grant of Rs.1237 was sanctioned in Government memo No.10035-1 F.L.A., dated 23-3-50 to cover up the cost of acquisition.

A grant of Rs.158/- to make up the balance of expenditure of Rs. 158-6-0 for 49-50 was drawn inanticipation of sanction of Government.

I therefore request the Government to sanction a grant of Rs.(196-2-) 158-6-0 plus 37-12-0 as a special case at an early date to satisfy the objection. By this sanction the Board will be eligible to draw only the net grant of Rs.37-12-0(196-2-0 - 158-6-0) towards the cost of demarcation charges incurred by the Board.

ENDORSEMENT No. 24262 C1/51-HR dated 17--12--1951.

Ref: President, District Board, Bellary letter No.6924/51-B dated 7.5.1951.

Forwarded with reference to Government Endorsement No.6753-E/51-1 dated 17.3.1951 enclosed hereto in original.

As regards the additional amount of Rs.57-12-0 claimed by the President District Board, he has stated in his subsequent letterdated 10.6.1951 that the grant of Rs.1257 sanctioned in Government Memorandum No.10055/50-1 E dated 20.3.1950 was just sufficient to meet the cost of land acquisition alone and nothing was left to meet the demarcation charges. Hence the request for an additional grant of Rs.57-12-0.

In these circumstances the additional grant may be sanctioned.

With reference to the irregular drawal of Rs.150-6-0 objected to by the Accountant General I invite attention to the Statement sent direct to Government by the Divisional Engineer (Highways) Bellary along with his post copy of Telephonic Message dated 14.3.1950 in connection with the Resumption and Re-allotment statement for 1949-50. The Divisional Engineer had included a sum of Rs.160/- against item 19 of the statement to meet this expenditure and sanction was accorded by Government in G.O. No.434 Local Administration dated 6.3.1950. This was however modified in G.O. No.625 Local Administration dated 16.3.1950 including Rs.157/- in place of Rs.160/- with reference to a revised statement from the Divisional Engineer.

In view of this no further grant need be sanctioned towards this. But the Accountant General may be requested to drop the objection.
